

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

1 DANIEL HARDY,

2 Plaintiff,

3 Case No. 3:23-cv-00207-ART-CSD

4 v.  
5 BHUPINDER SINGH and GRK  
6 TRANSPORT LLC, and Does I-X,

7 Defendants.

8 SCOTT THAYER and CINDY THAYER,  
9 natural parents and wrongful death  
10 heirs of the deceased, COLE THAYER,

11 Plaintiffs,

12 v.  
13 BHUPINDER SINGH and GRK  
14 TRANSPORT LLC,

15 Defendants.

16 Plaintiffs Daniel Hardy and Scott and Cindy Thayer bring this  
17 consolidated action against Defendants for claims arising out of a collision  
18 between a truck and tractor-trailer. Cole Thayer died and Hardy was injured in  
19 the collision. Pending before the Court is Hardy's motion for partial summary  
20 judgment (ECF No. 52). For the following reasons, the Court denies Hardy's  
21 motion.22 Hardy requests that the Court grant partial summary judgment on Scott  
23 and Cindy Thayers' "potential claim for loss of probable support." (*Id.* at 1-2.)  
24 Scott and Cindy Thayer respond that they are "making no claim against Daniel

1       Hardy" and therefore the relief sought is inappropriate. (ECF No. 54 at 3.) The  
2       Court agrees. Scott and Cindy Thayer have not made a claim for loss of  
3       probable support, or any other claim, against Hardy in this case. (See ECF No.  
4       37.) The Court cannot grant summary judgment on a claim that has not been  
5       made.  
6

7               The Court therefore DENIES Plaintiff's motion for partial summary  
8       judgment (ECF No. 52).
